

# portosenavios

**Dear Reader and Client.** Allow us to bring to your attention Portos e Navios magazine Editorial Calendar for 2019.

The following list presents relevant topics for the ports, shipbuilding and offshore industry; shipping and logistics sectors and can be used as a publicity decision-making tool for our advertisers.

In addition to main topics listed below, PN will include special reports on day-to-day news throughout the 12-month period. Portos e Navios is a reference publication for the Ports and Shipping sector to which it devotes its activities in the countrywide circulation of 9,000 issues, distributed by direct mailing.
